

Dear Guest

Pool usage in our village is governed by the provisions set out by the Italian Government on containing the spread of the Coronavirus and, particularly, those contained in the Italian Prime Ministerial Decree of 17/05/2020 and consequent Regional Council Orders.

We are sure that, to keep all of you and all of us safe, we can count on your patience and cooperation.

1. This pool is sanitised daily with anti-viral cleaning products.
2. Communal areas and equipment are sanitised at regular intervals during the day.
3. Equipment (sun loungers and beach umbrellas) are sanitised by staff before each user or group borrows them and again at the end of each day.
4. To provide a high level of protection from infection, we ensure that water is treated effectively and observe the levels of active chlorine, combined chlorine and pH as set out by protocols. Levels are checked every two hours.
5. In light of the social distancing rules, only a limited number of guests can use this pool at any one time.
6. If, on arrival, you find the "FULL" sign being displayed, please respect it.
7. Before entering the water, please use the shower to wash your entire body with soap;
8. Shower caps are obligatory.
9. Spitting, blowing your nose, and urinating in the water are all prohibited.
10. Very small children must wear a nappy.
11. On arrival at the pool, guests are asked to report to a pool attendant to have a position assigned.
12. When leaving the pool area, guests are asked to advise the attendant, so that equipment can be sanitised.
13. Parents/guardians are asked to supervise their children to ensure that social distancing and hygiene rules are followed.
14. Please follow the paths indicated to enter, exit and move around the pool.
15. Please sanitise your hands frequently, using the sanitising gel available from the dispensers on site.
16. Please follow the general behavioural rules indicated in the Village's Healthcare Directory and on the boards, in particular, the minimum 1m social distancing rule and the hand hygiene rule.
17. All guests must follow the indications given by pool attendants and supervisory staff.
