BAGNO ORIZZONTE

BEACH CLUB RULES AND REGULATIONS

All our guests are equal and are entitled to the same treatment. Equality is understood as the prohibition of any form of discrimination or conduct that may harm others, while respecting the rules set out in these Regulations to ensure peaceful coexistence within the beach club.

1. The services offered may only be used during the beach resort's opening hours, from 8:30 a.m. to 7:30 p.m. After 7:30 p.m., access to the beach resort and the use of beach equipment are not permitted.
2. The seasonal membership runs from 1 June to 15 September. Seasonal memberships are non-transferable. The admission of persons other than the membership holders must be agreed in advance with Management.
3. The beach equipment rental includes: use of a parasol with storage table, two sun loungers, use of the toilets and showers, assistance from our staff, use of plastic beach loungers on the shoreline, use of inflatable water equipment and children's play areas, and 15 minutes per day of pedal boat and canoe use.
4. The beach resort provides lifeguard and first-aid services in accordance with the provisions of the Municipal Regulations governing the use of public maritime property and the current ordinance issued by the Harbour Master's Office (Ordinance No. 13 dated 12 May 2021).
5. Guests using the beach equipment rental and related services provided by the beach resort declare, at the time of booking or upon entering the beach resort, that they have read and accepted these Regulations. The Regulations are displayed on the notice board and are also available on our website.
6. No refunds will be granted, either for daily bookings or seasonal memberships, for any reason whatsoever (bad weather, uncertainty regarding weather conditions, high tide, rough seas, etc.). Should Management decide that the circumstances justify a refund, the refund will be made net of VAT.
7. Each parasol may accommodate a maximum of four people (3 adults and 1 child, or 2 adults and 2 children). Guests are therefore kindly requested not to exceed this limit.
8. For operational reasons, staff may change the reserved beach station to another one of equal value.
9. Guests must use the equipment with due care and must promptly notify staff of any malfunction. Guests may be required to compensate the beach resort for any damage caused by improper or incorrect use of the rented equipment.

10. Management shall not be held responsible, under any circumstances, for any personal belongings and/or items belonging to guests that are damaged or stolen within the beach resort. Guests are therefore advised never to leave money, valuables, clothing or other personal belongings unattended.

11. The following are strictly prohibited:

- Occupying beach stations other than those assigned by Management, for both logistical and health and safety reasons. Subject to availability and at the discretion of the beach staff, a change of reserved station may only be made after first obtaining permission from Management.
- Taking sun loungers from other beach stations or moving one's own sun lounger to another row or onto the shoreline. Sun loungers must remain in their assigned position and must not encroach on the space of neighbouring stations.
- Bringing into the areas allocated to the beach resort any personal deckchairs, sun loungers, chairs, parasols, umbrellas, beach tents or any other equipment not provided by the beach resort. Lying directly on the sand with towels is also not permitted.
- Bringing animals, including small pets, except in areas specifically designated for them.
- Playing games (ball games, bowls, paddleball or any other activities) that may disturb the peace and quiet of other guests. This does not apply to games and tournaments organised by the entertainment team of Villaggio Orizzonte.

12. Guests must comply with the provisions of these Regulations and with the ordinances issued by the Municipality of Piombino and the competent Harbour Master's Office. These documents are available at the entrance to the beach resort.

13. Persons behaving improperly, offensively or in any other manner that disturbs other guests may be asked to leave the beach resort, without prejudice to Management's right to report the matter to the competent Public Security Authorities and to seek compensation for any damage suffered.

14. This beach resort does not tolerate discrimination of any kind on the basis of race, religion, sexual orientation, gender identity or disability.

15. Management reserves the right to refuse bookings from individuals or families who have previously engaged in improper behaviour or conduct that has caused harm or inconvenience to the beach resort and/or its guests.

SUSTAINABILITY AND ENVIRONMENTAL PROTECTION

16. Smoking is not permitted on the beach and, consequently, under the parasols (Ordinance No. 13 dated 12 May 2021, Municipality of Piombino). Electronic cigarettes are permitted.

17. The beach resort has introduced a system to help regulate and reduce water waste through the use of chip keys, which allow showers to be used in a controlled manner. Guests are therefore strongly requested to use this service responsibly and avoid unnecessary water consumption.

18. Separate waste collection is in place. Guests are therefore kindly requested to dispose of waste in the appropriate containers (general waste, multi-material packaging, paper and glass). It is strictly prohibited to leave waste on the beach or under parasols. Management reserves the right to refuse future bookings to guests who have previously failed to respect the cleanliness of the beach.

19. Failure to comply with these Regulations will result in the guest being asked to leave the beach resort.

20. It is expressly agreed that failure to comply with even one of the conditions set out in these Regulations shall entitle Management to terminate the provision of services, with the consequent forfeiture by the guest of any amounts already paid for such services.
